Families of Schools and Split-Feeder Catchment Analysis

Richmond School District – Current Families of Schools

A family of schools includes a secondary school and its feeder elementary schools. There are currently ten families of schools in the Richmond School District:

Two elementary school catchments are currently split between more than one secondary school. These include Lee, and Westwind.

- Lee - split between McRoberts [west portion] and McNair [east portion] along Garden City Road
- Westwind - split between McMATH [west portion] and Steveston-London [east portion] along Railway Avenue

In addition, one school is split between more than one of the Community of Schools Regions:

- Westwind Elementary – Split between the West Regions [west portion] and the South Central [east portion]

The following tables provide an analysis of historical split secondary flow information for grade 8-12 regular program students residing in the affected elementary catchments. The tables include a review of the number grade 8-12 regular program students residing in:

- each 'portion' of the elementary catchment attending each of the secondary schools that it feeds into, and
- the elementary catchment as a whole attending each of the secondary schools it feeds into

Lee Elementary School – Split between McRoberts Secondary (west portion) and
